

# CHOOSING COLLEGE CLASSES WORKSHEET

## Choosing courses when you don't have a major

Tips:

- Focus on trying new things and filling your distribution requirements
- Find a balance between new, familiar, challenging, and easy
- Go over your schedule with an advisor or upperclass-student to get advice and perspective!

# CHOOSING COLLEGE CLASSES WORKSHEET

## Choosing courses when you already have a major

Tips:

- Focus on fulfilling requirements and finding balance between hard and easy classes
- Find a balance between classes that are out of your comfort zone and classes that you are already passionate about
